

Agenda: Minnesota e-Health Bridging Information and Care Work Group Meeting

Date: April 17, 2026

Objectives

- Learn about and discuss options for information sharing and use/reuse including HIOs, HDUs, and TEFCA/Qualified Health Information Networks (QHINs)
- Review strategies used by other states to address information sharing needs and identify strategies that could be adapted for use in Minnesota
- Begin to develop recommendations for the priority use case groups
