

## Minnesota e-Health Privacy and Security Workgroup Meeting

Wednesday, January 8, 2020 1:00-3:00 p.m.

**Dial-in #:** (855)282-6330 or (415)655-0003

**Access code:** 35204484

### Meeting Objectives

- Learn about third-party security and privacy risk
- Review the Access to Health Records Notice of Rights document for plain language changes

### Agenda

#### 1. Welcome and Introductions

Workgroup Co-Chairs [1:00/10 min]  
Laurie Beyer-Kropuenske, Department of Administration  
Adam Stone, Secure Digital Solutions

#### 2. Presentation on Healthcare Third Party Management

Rick Ensenbach [1:10/45 min]

- Rick Ensenbach is a career security professional with over 40 years of experience in creating implementing and managing security programs within the healthcare and financial industries, and state and federal government. For the past eight years, his focus has been advising healthcare organizations on regulatory compliance and program development and performing risk assessments. (see slides for bio)

#### 3. Access to Health Records Notice of Rights

Stacie Christensen [1:55/60 min]

- Walk through and discuss the proposed plain language changes to the Access to Health Records Notice of Rights document

#### 4. Next Steps and Wrap-up

[2:55/5 min]

#### 5. Adjourn
