Applications to waive the requirements in Mineacids Statutes CSX 10 Stadt 2 or 3 must fit one of the following reason codes. Waivers automatically expire after one year. The commissioner shall only approve a subsequent waiver application that statisfies the requirements in Mineacids Statutes GSX 10 Stadt 2.5 demonstrates that the carrier took the steps it proposed to address network inadequacy, and explains with the carrier continues to be unable to satisfy the requirements.

## Reason Code 1:

Carrier has conducted a search for providers and determined that, for each countly in the plan service area, there are no providers physically present of the type requested in the waiver.

- Carrier has conducted a search for providers and determined flat, for each country in the plan service area, there are no providers physically present of the type requested in the waiver.

  Contrain nature

  Through a description of physical geography andice other factors that affect the location of providers (as relevant).

  Provided a description of physical geography andice other factors that affect the location of providers (as relevant).

  2. Demonstrate consultation of all earts the provided directions and/or data sources consulted, including a brief explanation of why the sources are believed to be accurate and complete. Examples of acceptable provider directories and data sources include, but are not limited to:

  a. NETER INTERIORS.

  b. Modicine Physical in Complete

  a. SAMINIA Determination of the Physical Physical Interiors.

  c. SAMINIA Determination of the Physical Physical Interiors.

  b. Modicine Physical Interiors.

  c. SAMINIA Determination of the Physical Phys

## Reason Code 2:

Provider does not meet carrier's credentialing requirements.

- Certifies must:

  1. Clis the reason(s) provider does not meet credentialing requirements

  2. For Primary Coxe. Pediatric Services (Primary Coxe), General Hospital, and Mental Health provider types

  a. State the botal number and percentage of estimated errorleses affected in the country not meeting the geographic standard as of the submission date of waver. Select only one country per line.

  3. State how access with be provided for this provider byte errorleses of the effected country, For example, does the carrier allow errorlises to receive out-of-network care ast in-network reas, provide transportations services/out-of-network care ast in-network reas, provide transportations services/out-of-network in the country of the country

- Carrier must describe the extent to which telemedicine services are available
   a. How many network providers of the impacted provider type have contracts to conduct/provide telemedicine services?

## Reason Code 3:

Carrier has made a good faith effort to contract with provider and provider has refused to accept a contract.

- Carries must:

  1. Cite the reason(s) provider state(s) for refusing contract(s)

  1. Cite the reason(s) provider state(s) for refusing contract(s)

  1. For Primary Clare, Prediatric Services (Primary Care), General Hospital and Mental Health provider types

  2. For Primary Clare, Prediatric Services (Primary Care), General Hospital and Mental Health provider types

  3. State how access will be provided for this provider type for enrollees of the efficiency of the enrollees of the e
  - - 62A 671, subdivision 9

      2. Carrier must describe the extent to which telemedicine services are available

      a. How many network providers of the impacted provider type have contracts to conduct/provide telemedicine services?

## Reason Code 4:

Network is an Accountable Care Organization (ACO) or Narrow Network.

- Certifer mast:

  1. Sound-the network structure: Accountable Care Orase/tastion (ACO) or Narrow Network

  1. Sound-the network structure: Accountable Care Orase/tastion (ACO) or Narrow Network

  2. If the network is a narrow network, describe the feature of the relevant Network network is a narrow network, describe the feature of the network in restorict access

  2. For both ACOs and Narrow Networks, state what percontage of available Primary Care, Pedatric Services (Primary Care), General Hospital, and Narrow Networks, state what percontage of available Primary Care, Pedatric Services (Primary Care), General Hospital, and Narrow Narro
- State he botal number of estimated enrollees in the network as of the submission date of the waiver.
   State why the geographic access standards cannot be met. Explain why that geographic access is not possible with this network design.
   State how access will be provided for this provider type for the enrollees of the affected county, for example, does the carrier allow enrollees to receive out-of-network care at in-network rate, provide transportation services/vocation, without care services, valual care services, and/or telemedicine services?
   If telemedicine is used to provide access:
   1. These services must need the definition of "elemedicine" in Mirmesota Statutes
  - - 62A.671, subdivision 9

      2. Carrier must describe the extent to which telemedicine services are available
- 2. Caller maid describe the electric wind learning-time services are available.

  8. For Primary Cate, Podatic Service (Primary Cate, Podatic Service) and the services?

  8. For Primary Cate, Podatic Service (Primary Cate, Center of New Line Language Cate (Primary Cate, Center of New Line Language Cate).

  a. State the both number and percentage of settinated errorlibes affected in the country not meeting the geographic standard as of the submission date of waiver. Select only one country per line.

  b. State the estimated percentage of area in that country that is not covered.

## Allowable Waiver Reason Codes and Guidelines for Subsequent Approval (Renewals)

Anomation tration is reason Goude and Contentions on Consequent Ruppi Graf (Netrewals) in accordance with GSK 10 Subs 5 (d), waivers will automatically expire after one year.

Carriers seeking identical, subsequent waivers for plan year 2022 will be required to show steps taken to address network inadequacies in plan year 2021 (see below).

Carrier has conducted a search for providers and determined that, for each county in the plan service area, there are no providers physically present of the type requested in the waiver.

- Carriers must:

  1. Meet all of the requirements set forth for initial approval

  2. Provide a description of how access was provided for affected enrollees in the previous approval year

  3. Show evidence of quarterly efforts to assess provider availability throughout the last calendar year. Did new providers become available in affected areas? If so, describe any efforts to pursue contrads.

  If new providers become available and reve contracts were not pursuad, explaint setting.

5/19/2021

Provider does not meet carrier's credentialing requirements.

- Carriers must:

  1. Meet all of the requirements set forth for initial approval
  2. Provide a description of how access was provided for affected enrollees in the last approval year

## Reason Code 3:

Carrier has made a good faith effort to contract with provider and provider has refused to accept a contract.

- Carriers must:

  1. Meet all of the requirements set forth for initial approval

  2. Provide a description of how access was provided for affected enrollees in the last approval year

Network is an Accountable Care Organization (ACO) or Narrow Network.

- Carriers must:

  1. Meet all of the requirements set forth for initial approval

  2. Provide a description of how access was provided for affected enrollees in the last approval year

## Attestation for the Request for Waiver

The undersigned attests that height is a representative of the carrier with personal knowledge of the network and reasons for the above waiver requests, and that the waiver requests meet the requirements for the waiver, as cultimed above, and that if providers become available in the service area, carrier will make a good faith effort to contract with assid providers.

Eric Hoag, Blue Cross Blue Shield MN, Vice President, Provider Relations Name, Company, Title Date Attestation Signed
