BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:
ARTICLE 3
HEALTH DEPARTMENT

Sec. 20. Minnesota Statutes 2020, section 144G.84, is amended to read:

144G.84 SERVICES FOR RESIDENTS WITH DEMENTIA.

(a) In addition to the minimum services required in section 144G.41, an assisted living facility with dementia care must also provide the following services:

(1) assistance with activities of daily living that address the needs of each resident with dementia due to cognitive or physical limitations. These services must meet or be in addition to the requirements in the licensing rules for the facility. Services must be provided in a person-centered manner that promotes resident choice, dignity, and sustains the resident's abilities;

(2) nonpharmacological practices that are person-centered and evidence-informed;

(3) services to prepare and educate persons living with dementia and their legal and designated representatives about transitions in care and ensuring complete, timely communication between, across, and within settings; and

(4) services that provide residents with choices for meaningful engagement with other facility residents and the broader community.

(b) Each resident must be evaluated for activities according to the licensing rules of the facility. In addition, the evaluation must address the following:

(1) past and current interests;

(2) current abilities and skills;

(3) emotional and social needs and patterns;

(4) physical abilities and limitations;

(5) adaptations necessary for the resident to participate; and

(6) identification of activities for behavioral interventions.

(c) An individualized activity plan must be developed for each resident based on their activity evaluation. The plan must reflect the resident's activity preferences and needs.

(d) A selection of daily structured and non-structured activities must be provided and included on the resident's activity service or care plan as appropriate. Daily activity options based on resident evaluation may include but are not limited to:
(1) occupation or chore related tasks;

(2) scheduled and planned events such as entertainment or outings;

(3) spontaneous activities for enjoyment or those that may help defuse a behavior;

(4) one-to-one activities that encourage positive relationships between residents and staff such as telling a life story, reminiscing, or playing music;

(5) spiritual, creative, and intellectual activities;

(6) sensory stimulation activities;

(7) physical activities that enhance or maintain a resident's ability to ambulate or move;

and

(8) a resident's individualized activity plan for regular outdoor activities activity.

(e) Behavioral symptoms that negatively impact the resident and others in the assisted living facility with dementia care must be evaluated and included on the service or care plan. The staff must initiate and coordinate outside consultation or acute care when indicated.

(f) Support must be offered to family and other significant relationships on a regularly scheduled basis but not less than quarterly.

(g) Access to secured outdoor space and walkways that allow residents to enter and return without staff assistance must be provided. Existing housing with services establishments registered under chapter 144D prior to August 1, 2021, that obtain an assisted living facility license must provide residents with regular access to outdoor space. A licensee with new construction on or after August 1, 2021, or a new licensee that was not previously registered under chapter 144D prior to August 1, 2021, must provide regular access to secured outdoor space on the premises of the facility. A resident's access to outdoor space must be in accordance with the resident's documented care plan.

**EFFECTIVE DATE.** This section is effective August 1, 2021.
(b) Notwithstanding the housing with services contract requirements identified in section 144D.04, any existing housing with services establishment registered under chapter 144D that does not intend to convert its registration to an assisted living facility license under this chapter must provide written notice to its residents at least 60 days before the expiration of its registration, or no later than May 31, 2021, whichever is earlier. The notice must:

1. state that the housing with services establishment does not intend to convert to an assisted living facility;
2. include the date when the housing with services establishment will no longer provide housing with services;
3. include the name, e-mail address, and phone number of the individual associated with the housing with services establishment that the recipient of home care services may contact to discuss the notice;
4. include the contact information consisting of the phone number, e-mail address, mailing address, and website for the Office of Ombudsman for Long-Term Care and the Office of Ombudsman for Mental Health and Developmental Disabilities; and
5. for residents who receive home and community-based waiver services under section 256B.49 and chapter 256S, also be provided to the resident's case manager at the same time that it is provided to the resident.

(c) A housing with services registrant that obtains an assisted living facility license, but does so under a different business name as a result of reincorporation, and continues to provide services to the recipient, is not subject to the 60-day notice required under paragraph (b). However, the provider must otherwise provide notice to the recipient as required under sections 144D.04 and 144D.045, as applicable, and section 144D.09.

(d) All registered housing with services establishments providing assisted living under sections 144G.01 to 144G.07 prior to August 1, 2021, must have an assisted living facility license under this chapter.

(e) Effective August 1, 2021, any housing with services establishment registered under chapter 144D that has not converted its registration to an assisted living facility license under this chapter is prohibited from providing assisted living services.

**EFFECTIVE DATE.** This section is effective retroactively from December 17, 2020.
