

Uniform Disclosure of Assisted Living Services & Amenities (UDALSA)

This is a required document per [144G.40 Subd. 2 \(www.revisor.mn.gov/statutes/cite/144G.40\)](http://www.revisor.mn.gov/statutes/cite/144G.40) of all assisted living facilities to describe the services, supports, and amenities available at the assisted living facility. Prospective residents and their families can use this tool to determine if the assisted living facility can meet their needs, allow them to compare options among various settings, and make informed decisions about selecting an assisted living facility setting. The information presented here may be important for a resident’s ability to age in place. Assisted living facilities are not required to provide all the services listed, and available services are subject to change. The facility will indicate which services are provided and any limitations that may pertain to the service.

You are also encouraged to tour facilities, talk with other residents, residents’ family members, or meet one-on-one with facility staff during the selection process. The disclosure checklist is not a substitute for the assisted living contract, which is a separate document that will include the specific services to be provided to the individual resident and the fees per services.

Additional Information

Sixty days before the facility plans to reduce or eliminate the availability of one or more services, the facility must provide written notice of the reduction. Refer to [144G.55 Subd. 1\(d\)](http://www.revisor.mn.gov/statutes/cite/144G.55) (www.revisor.mn.gov/statutes/cite/144G.55).

Residents may choose to obtain services from an outside service provider at their own cost. Residents may also obtain services from an outside service provider if the resident’s assessed needs exceed the scope of services the facility can provide as agreed upon in the contract and are not included in the checklist. If this occurs and the resident is not able to obtain services from an outside service provider, then the facility may require the resident move to another facility or care setting that is able to meet the resident’s needs. In the event this occurs, the facility will assist in a coordinated move of the resident to a safe and appropriate location.

Prospective Residents need to call the Senior LinkAge Line to discuss their housing options before signing a contract with a licensed assisted living facility. The Senior LinkAge Line is available Monday through Friday from 8am to 4:30pm at 1-800-333-2433.
