Maltreatment Report #: H5628043M Date Concluded: October 6, 2021

Name, Address, and County of Licensee

Investigated:

Minnesota Veterans Home 56 Outer Drive Silver Bay, MN 55614 Lake County

Facility Type: Nursing Home Investigator's Name: Jeri Gilb, RN, MSN, CNP

Special Investigator

Finding: Substantiated, individual responsibility

### **Nature of Visit:**

The Minnesota Department of Health investigated an allegation of maltreatment, in accordance with the Minnesota Reporting of Maltreatment of Vulnerable Adults Act, Minn. Stat. 626.557, and to evaluate compliance with applicable licensing standards for the provider type.

## Allegation(s):

It is alleged three facility staff members, alleged perpetrator (AP)1, AP2, and AP3, financially exploited the resident when they accepted money from the resident.

## **Investigative Findings and Conclusion:**

Financial exploitation was substantiated. AP1 and AP2 were responsible for the maltreatment. AP1 and AP2 cashed checks from the resident for their own personal use.

The investigation included interviews with facility staff members, including unlicensed staff. In addition, the investigator reviewed facility policies, the residents medical records, staff training records, and facility investigation reports. The investigator contacted law enforcement and obtained the police report.

The resident had diagnoses including post-traumatic stress disorder, major depressive disorder, and chronic obstructive pulmonary disease. The resident required assistance with medication management, bathing and grooming assistance, mobility assistance, and meal service. The resident was oriented and had full control of his finances.

The facility investigation indicated the resident reported he gave money to AP1, AP2, and AP3. AP1 cashed seven different checks from the resident which totaled \$8300. Several of the checks had personal memo notes such as "New boots!", "Ho, ho, ho", and "you are special". AP2 cased one check from the resident totaling \$1000. AP3 also cashed one check from the resident totaling \$200.

When interviewed, AP1 stated she cashed checks for the resident but gave the cash to the resident after cashing the checks. AP1 was aware staff should not accept money or gifts from residents.

When interviewed, AP2 stated she accepted and cashed the \$1000 the resident gave her. AP2 was aware staff should not accept money or gifts from residents.

When interviewed, AP3 stated he cashed a check from the resident but returned a check to the resident after he realized it was against policy. AP3 stated the resident had given him a check as a gift for a recent special occasion.

Review of facility training records indicated all three APs received and signed vulnerable adult training and boundaries training.

Review of law enforcement records indicated the resident reported giving money to AP1, AP2, and AP3. The resident stated AP did not cash the checks and give any money back to him.

In conclusion, financial exploitation was substantiated. AP 1 and AP 2 took money from the resident for their own personal use.
