Background Studies

All owners, managerial officials and the named RN or other licensed health professional on home care license applications must complete and pass background studies, as required by [144A.476](#), prior to MDH issuing a temporary license or a change of ownership license. Background studies are conducted by the Department of Human Services (DHS). Information about initiating background studies will be provided to applicants when MDH confirms receipt of the application.

After MDH issues a temporary license or change of ownership license, providers must complete background studies for all individuals seeking employment, paid or volunteer, as required by [144.057](#). DHS will provide more information at that time.

Questions about background studies?

Contact [DHS Providers and Entities, Background Studies \(https://mn.gov/dhs/general-public/background-studies/providers/\)](https://mn.gov/dhs/general-public/background-studies/providers/) or 651-431-6620.

Workers' Compensation Insurance

State law requires that the commissioner of health withhold the license for the operation of a home care provider until the applicant presents acceptable evidence of compliance with workers' compensation requirements. **If the applicant has employees, it must have active workers' compensation insurance and the applicant must be listed as the insured entity.** An application for workers' compensation insurance is not acceptable as evidence of coverage. You will not be issued a license to operate as a home care provider unless acceptable evidence of compliance with [176.181](#) and [176.182](#) is presented with this application or you meet an exception from coverage. Applicants can find information on the Department of Labor website:

[Workers' Compensation – Businesses \(https://www.dli.mn.gov/business/workers-compensation-businesses\)](https://www.dli.mn.gov/business/workers-compensation-businesses)

Check the type of evidence of coverage that is included with this application.

- Certificate of Workers' Compensation Insurance Coverage**
This document is supplied by an authorized workers' compensation carrier pursuant to [Minnesota Statutes, section 60A.06, subdivision 1\(5b\)](#). The insurance must be in effect prior to the issuance of a license.
- Self-Insured Workers' Compensation** (Including Attachment "A")
This type of coverage is generally held by large organizations. The certificate is issued from the commissioner of commerce permitting an organization to self-insure pursuant to [Minnesota Statutes, chapter 79A](#) and [Minnesota Rules, chapter 2780](#). Questions regarding self-insurance should be directed to:
[Minnesota Department of Commerce Self Insurance, \(https://mn.gov/commerce/industries/insurance/licensing/self-insurance/\)](https://mn.gov/commerce/industries/insurance/licensing/self-insurance/).
- Self-Insured as a Government Entity**
Written confirmation from your third-party administrator or evidence of coverage from the Workers' Compensation Reinsurance Association (WCRA) allowing you to self-insure as a government entity/political subdivision pursuant to [Minnesota Statutes, section 176.181, subdivision 2](#). The reinsurance certificate must be renewed annually on a calendar year basis.
