## Introduction

We created this reference guide to help health care practitioners complete common tasks in the Medical Cannabis Registry.

## Step 1: Log in to your Registry page

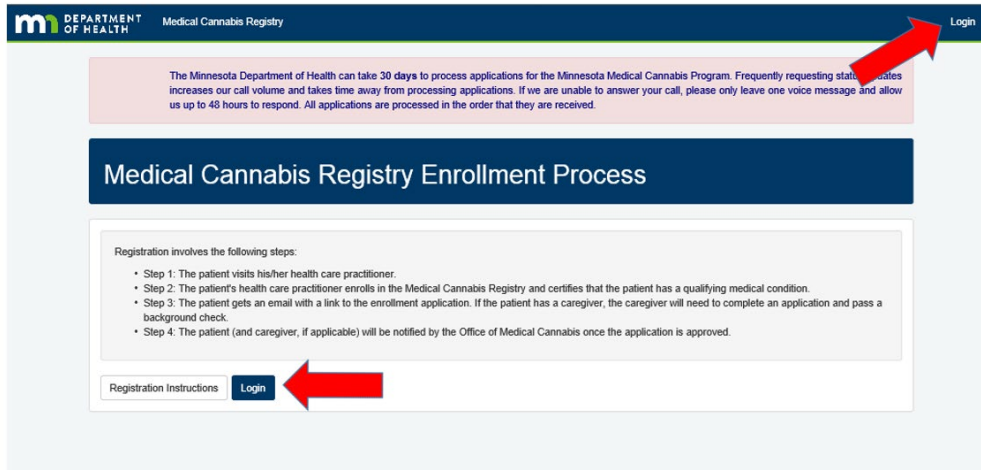

1. Select “Registry Login/Create Account” from the [Office of Medical Cannabis \(https://www.health.state.mn.us/people/cannabis/\)](https://www.health.state.mn.us/people/cannabis/) web page.

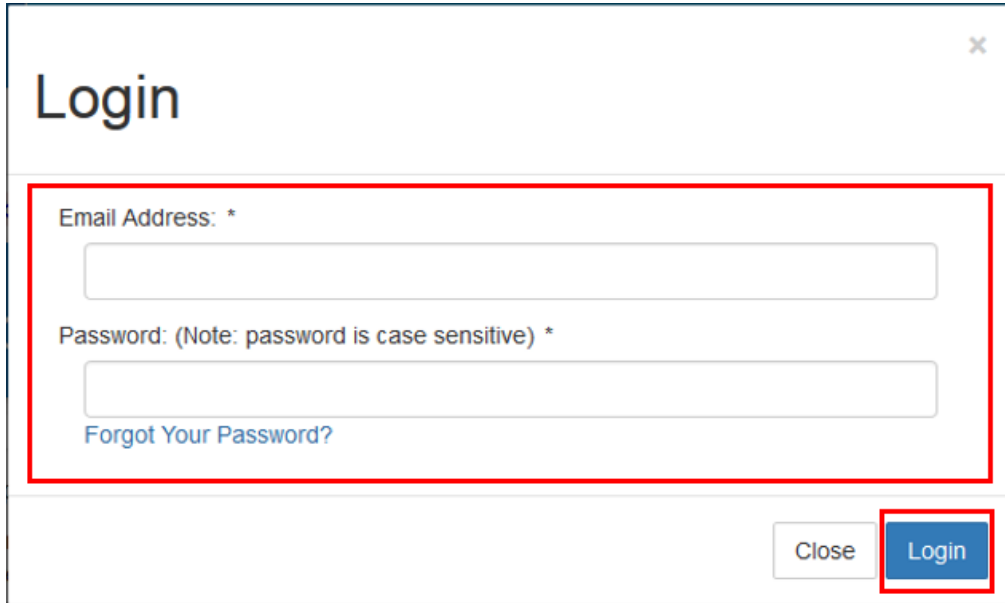

2. Select “Log in to the Minnesota Medical Cannabis Registry” link at the bottom of the screen, as shown.

3. Select “Login” to continue.

4. On the Login screen, type in your username/email and password, and click “Login.”

## Step 2: Certify/Recertify a new patient to you

1. To certify a new patient or re-certify a patient new to you, click on “Certify Patient.”

2. Complete the Patient Information form and select "Submit" as shown below.

**Patient Information**

3. A validation message appears at the top of screen.

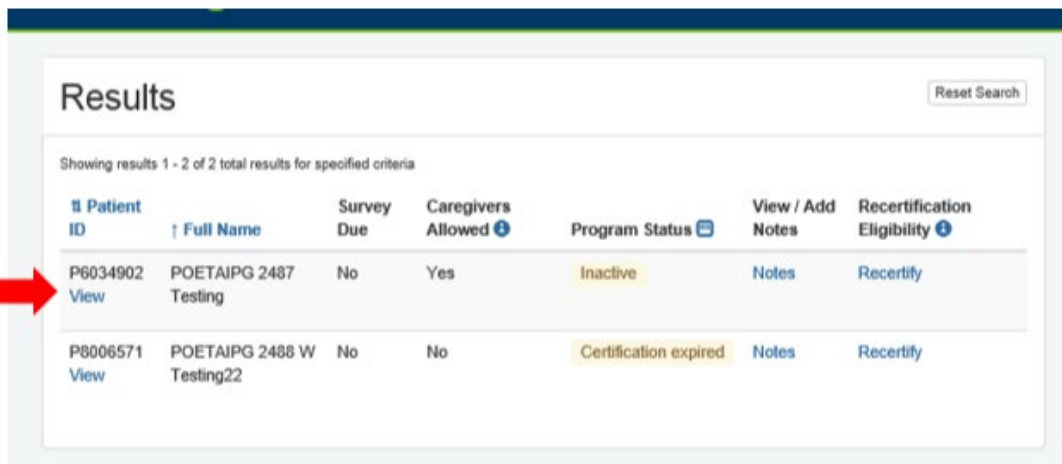

## Step 3: View your patient information

1. To view a patient’s account including transactions, click on “My Patients” on your homepage and then do a search for the patient. Locate the patient on the right side of screen and click “View” to pull up the account.

To view patient notes entered by Health Care Practitioner(s) or Cannabis Patient Center (CPC) staff, or to add notes to the patient account, select “Notes.”

To re-certify your patient, select “Recertify.”

After pulling up the patient account, you can view the patient, parent/legal guardian/spouse and caregiver information, medical conditions, self-evaluations and dispensing transactions. To view a transaction, scroll down to the dispensing section and select “View.”

## Step 4: Complete patient experience survey

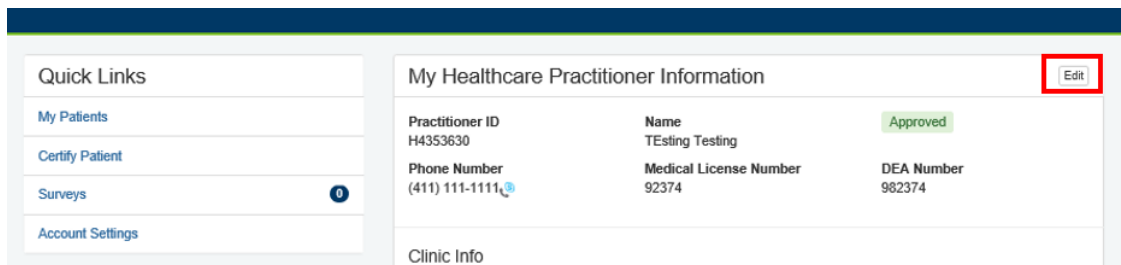

1. Click on “Surveys” on your homepage to submit your patient experience surveys. Continue to Step 5 if you do not wish to take this action.

Then select the patient survey you would like to complete on the HCP Patient Experience Surveys page.

## Step 5: Update account information

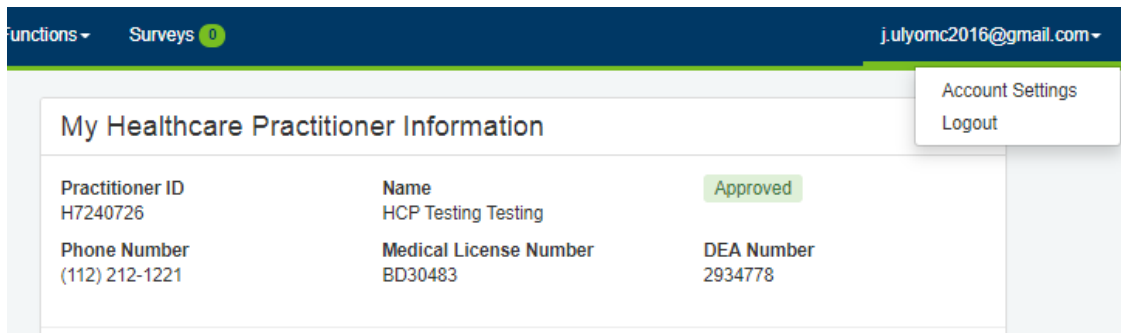

1. From your homepage, click “Edit” to update your personal information including your name and phone number. Continue to Step 6 if you choose not to edit your information.

## Step 6: Edit account settings

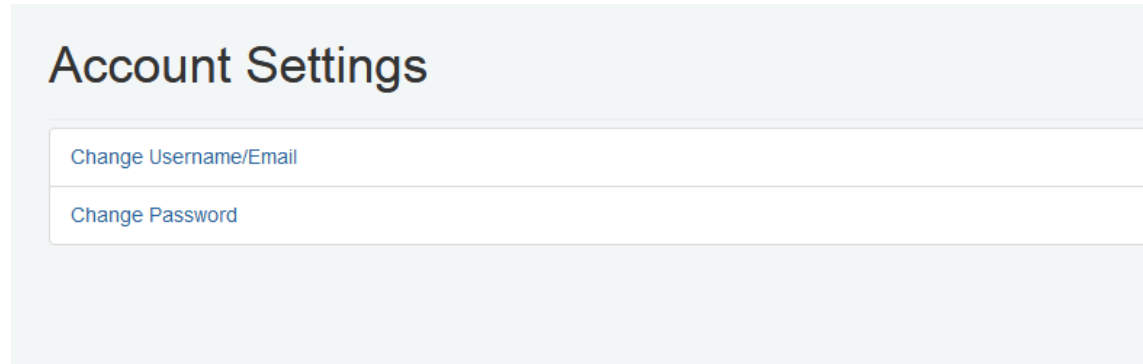

1. On your Practitioner homepage, click on your username/email address on the right hand corner. Then select “Account Settings” to change your password and username/email address.

Go to Step 7 if you do not want to change your account settings at this time.

2. Click “Change Username/Email” to edit your email address/username. Click “Change Password” to change your password.

## Step 7: Log out of your account

1. Select your username/email address on the right hand corner, and click on “Logout” to successfully log out of your account.
