PROTECTING, MAINTAINING AND IMPROVING THE HEALTH OF ALL MINNESOTANS

Medical Cannabis Laboratory Testing Requirements,  
Rulemaking Advisory Committee  
February 22, 2017 1:00-4:00 PM  
Meeting Minutes

The meeting was held at the Edina Public Library in Edina, MN.

Welcome and Introductions

MDH staff welcomed the committee members and gave introductions. Committee members also gave introductions and their organization.

Review Changes Made to Preliminary Rules Draft

MDH staff reviewed changes that were made at the January, 2017 meeting. Committee members also made additional changes to the rules draft.

Stability Testing

MDH staff and committee members completed reviewing the stability portion of the rules draft.

Label Rule and Requirements

MDH staff reviewed the current rules on label requirements with the committee members. Comments that were received by email to MDH staff were shared regarding what they would like to see on the labels. No additional public comment was made.

Future Meeting Dates

The next meeting dates will be Tuesday, April 11, 2017 from 1:00-4:00 PM and Tuesday, May 16, 2017 from 1:00-4:00 PM. The locations for each meeting are still TBD.
