

Persons-In-Charge: You Must Report Customer Complaints of Illness

If a customer complains of diarrhea or vomiting after eating at your restaurant, you must do the following:

1. Write down the customer's name and contact information.
2. Call your local health department or the Minnesota Department of Health Foodborne Illness Hotline: **1-877-FOOD-ILL (1-877-366-3455)**.
3. Suggest that your customer may also contact the MDH Hotline, if they wish to do so.
