Re: **MnVFC COVID-19 Vaccine Shipping Now**

Please route to:

- Clinical supervisor
- Medical director
- Clinic manager
- Clinic staff
- Pharmacy
- Vaccine staff

COVID-19 vaccines for the 2025-26 season will begin shipping to providers this week, and we will continue to ship orders as doses become available from the manufacturers. To ensure equitable access, you may receive your request in multiple shipments. If you need more doses than you initially requested, you can submit additional requests at any time. Submit your request in MIIC by clicking “request special event vaccine” and selecting the event titled **2025-26 MnVFC COVID-19 Vaccines**.

You will receive a confirmation email when we process your order. Be ready to receive vaccine at your clinic one to two days after receiving the confirmation email. Providers can check the status and details of their COVID-19 vaccine requests in MIIC under “manage special vaccine event” throughout the distribution season.
