

# How To Sign Up for Docket

## TRANSCRIPT

[upbeat music]

[Narration]

How to sign up for Docket.

Signing up for Docket is easy!

Download the Docket App.

Create an account.

Use an existing Google or Apple Account to sign-up quickly.

Enter your information.

Verify your new account with a text message code.

Consent to Docket asking the state immunization information system for your records on your behalf.

Select Minnesota as the immunization registry.

Docket will match your information to your immunization record.

You can also download a PDF document of your immunization record right from the app.

Download Docket today!
