

How To Sign Up for Docket

AUDIO DESCRIBED TRANSCRIPT

[upbeat music]

[title card reads How To Sign Up with Docket logo on a blue patterned background.]

[Narration]

How to sign up for Docket.

Signing up for Docket is easy!

[The scene changes. The narrator reads onscreen text. The left side of the screen has the Docket logo.]

Download the Docket App.

[The Docket logo swaps for Docket's log in page. The narrator reads onscreen text.]

Create an account.

Use an existing Google or Apple Account to sign-up quickly.

[The app screen shows each screen in the sign-up process. Paul Bunyan's information is entered.]

Enter your information.

Verify your new account with a text message code.

Consent to Docket asking the state immunization information system for your records on your behalf.

Select Minnesota as the immunization registry.

[List of Paul Bunyan's vaccinations is onscreen.]

Docket will match your information to your immunization record.

[An arrow points to a download icon on the app screen]

You can also download a PDF document of your immunization record right from the app.

Download Docket today!

[The scene changes, the app screen changes to the Docket logo on a blue patterned background.]
