

Asbestos Air Monitoring Notification

Instructions

NOTICE:

- Please send separate payments for lead and asbestos application fees.
- MDH cannot process payments that combine fees for lead and asbestos.
- MDH will return applications with payments that combine fees for asbestos and lead.

Fill in the application in black or blue ink only.

MDH must receive this notice and the accompanying 2% permit fee at least five calendar days before the project begins. This includes all air monitoring required by the rules including background sampling to establish an alternative indoor air standard.

Include a business check, cashier's check or money order made payable to the Minnesota Department of Health (MDH).

No cash or personal checks accepted.

A service fee is charged for returned checks.

Fees are nonrefundable.
